

Packaged Living Limited Home Quality Mark

www.elementsustainability.co.uk

Client: **Packaged Living**
Sector: **Residential**
Project completion: **Multiple schemes ongoing**
RIBA stages: **Stages 2-6**

Our Services:

Preparation and completion of a design and post construction stage Home Quality Mark assessment for each dwelling to achieve 4 Star.

- Pre-Assessment Strategy and facilitated a workshop
- Design Stage Assessment and Certification
- Monthly Progress/ Feedback Workshops
- Post-Construction Assessment and Certification.

Added Value:

- Implemented design solutions that improve upon the performance required by building regulations and maximise the performance of the developments in relation to a wide range of financial, wellbeing, environmental and social issues.
- Assisted in the collation of the documentary evidence for the assessment on behalf of the client and guided the team through the assessment process.

Development Proposals:

- **Former Charlton School** – The construction of one hundred and ninety-five individual dwellings (comprising eight house type) in Telford.
- **Grafton Way** – The construction one hundred and sixty-three individual dwellings (comprising eleven house type) in Ipswich.
